- "7.2 Resolved that on a non-binding advisory basis the implementation report be and is hereby approved;"

Overview

Remuneration is used to incentivise and retain staff thereby contributing to succession and long-term sustainability of the company. The Indluplace remuneration policy supports the company's intention to attract high calibre staff as well as serving to retain and motivate staff which is in the company's as well as all stakeholders' best interests.

Annual increases include annual salary increases which are inflation related

adjustments benchmarked against industry norms. Annual increases are paid subject to adequate overall performance, stability and position of the company.

Non-executive directors do not receive remuneration or incentive rewards relative to the price of the company's shares or corporate performance and their fees are approved by shareholders in advance. The payment of incentive awards to executive directors has a performance linked component measured against growth in distribution, net income growth, and total return for the year as well as asset based growth.

The company does not provide retirement or medical aid benefits and these are for the account of the employee.

The remuneration policy and implementation report can be found on pages 37 to 42 of the integrated annual report of which this notice forms part.

Should the remuneration policy and/or the implementation report be voted against by 25% or more of the votes exercised, the board undertakes to actively engage with shareholders in order to ascertain the

legitimate and reasonable objections and concerns thereto and formulate and adopt a matrix to develop the remuneration policy and/or implementation report as the case may be, in the next financial year.
